Career Prospects

The Master of Business Administration qualification will give graduates the opportunity to explore a global career in a variety of roles wide with financial institutions, technology companies, blue-chip companies and even SMEs. These may be within the private, public or voluntary sector, or a multinational company. Graduates may also explore a range of other careers within:

- Accountancy
- Hotel and leisure management
- Public relations
- Financial management
- Information systems
- Market research analysis
- Product management
- Teaching and education
- Media (TV, film, online, newspaper, magazine)
- Advertising
- Logistics
- Banking
- Project management

Entry Requirements

- You should have both of the following: significant work experience in a business or management capacity; and a UK Honours degree/postgraduate degree (or equivalent) in a relevant subject.
- We'll consider your application if you don't possess the above qualifications but have substantial managerial experience.
- We'll consider applications where appropriate work experience can be demonstrated in lieu of, or in addition to, the published academic qualifications in line with the University's Recognition of Prior Experiential Learning (RPEL) procedures.
- You may be required to attend an interview and/or provide a portfolio of work.
- When applying you must include a reference from your current employer. The reference should clearly state how long you have been employed by them and give a breakdown of your job content and roles and responsibilities.
- Your application form will need to be accompanied by a reflective overview of the managerial responsibilities you have undertaken to date.
- If English isn't your first language you'll also need IELTS 6.0 with no less than 5.5 in any band (or equivalent). We also accept a range of other English language qualifications – please visit our English Language Requirements web page for more details.
