Important Note

Every effort is made to ensure that the information provided on the College's website and elsewhere about the programme for which you have applied in this application is accurate. However, it may become necessary for the College to make changes, for example to programme content, course delivery and fees, due to legitimate staffing, financial regulatory and academic reasons including (but not limited to) industrial action, lack of demand, departure of key personnel, change in government policy, withdrawal or reduction of funding, the requirements of the Quality Code of the Quality Assurance Agency or a change of law.

Regent College London and its university partners will endeavour at all times to keep such changes to a minimum and to keep students informed appropriately.

If a course is not provided in whole or in part, Regent College London and its university partners will take such steps as are available to it to minimise the effect of any alteration or withdrawal. Such steps may include alterations to delivery of teaching or assessment, the offer of a place or an alternative course or the offer to transfer to another course at the College or elsewhere.

You will be entitled to decline to accept the changes to the programme and withdraw but not to receive a refund for those parts of the programme that you have completed whether or not you have passed any assessment.
